Subject Name: Management Practice
Subject Code: HTM5003
No. of Credits: 0 Credits
Total Contact Hours: 480 Hours
Prerequisite: Students are required to complete two regular semesters before taking this subject

Subject Description:
This subject aims to furnish students with an opportunity to take up internship in relation to the program or study. This gives students a platform to apply theoretical learning into practical setting and develop themselves with professional competence. The students are required to attain 480 hours in order to obtain a pass grade in the subject. The subject is optional but students need to take study/curriculum-related work and it needs to be endorsed by the School.

Intended Learning Outcomes:
Upon completion of the subject, students will be able to:
1. Acquire practical experience and management skills in a relevant industry sector.
2. Apply theoretical learning into practical settings.
3. Analyze and identify one’s own strengths and weaknesses and develop a learning plan which satisfies industry related learning goals.
4. Develop interpersonal skills through interaction with guests, peers and supervisors.
5. Demonstrate effective communication skills appropriate to a professional business environment.
